BPS COMMUNITY HUB

Dear Parent/Caregivers,

Bradbury Public School is starting a new initiative called the Community Hub. The aim of this is to provide a safe and supportive place for community members to come together and build social groups. At the same time they can be helping students and teachers with odd jobs. Anyone is welcome to be part of this new initiative. No special skills needed – training will be provided for each activity.

The Community Hub will be located in room 14. Each day it will be open for a community focus group for example: Out of Home Care Guardians, Adults Learning English, Autism Network, Laminating Hub, Craft Hub, Mums and Dads.

In the Community Hub groups, some tasks to be done could involve laminating, covering books, ruling books, labelling items, cutting shapes, preparing resources for students. Regular attendance is not compulsory, however, we hope that these groups establish and maintain friendship in a supportive environment.

Tea and coffee will be supplied for each morning.

If you want to be involved, please complete this expression of interest and return to the school office.
