HOME READING PROGRAM

Dear Parents/Caregivers,

As part of our Reading Program, children will be borrowing readers OVERNIGHT. As this is a major strategy in developing children’s reading, it is strongly suggested that parents support this program by listening to their child read every night.

We have spent thousands of dollars purchasing new books to supplement our Home Readers. These books are costly to replace, therefore we require parents/caregivers to be responsible for replacing/paying for any lost or damaged books. Children will take home a book and return it the following day. Please note that the replacement cost of lost or damaged books will be $10.00.

Could you please ensure that children get into the habit of placing their books straight back into the bag and into their school bags. This way they will avoid the disappointment of forgetting their books and being unable to borrow until that book is returned.

We look forward to your involvement and support as you listen to, and encourage your child with their reading.

Mrs. M. Webb
Principal
M-078-2015

(Please detach and return to your child’s class teacher)

HOME READING PROGRAM

I would like my child __________________________ of class _______ to take part in the HOME READING PROGRAM. I understand that I will be responsible for replacing/paying for all books lost or damaged at a cost of $10.00.

Parent/Caregiver please print your name: ________________________________
Parent/Caregiver Signature: ___________________________ Date: __________
